

Cordless Tool System

36V PS250 Pole Saw

36V
LITHIUM ION

NEW IN 2014 The OREGON® 36V Pole Saw gives you the power and agility necessary for powerful yet precise trimming. With its compact cutting head for increased agility and a tool-free extendable shaft that adjusts quickly and easily, hard-to-reach spaces are easier to trim than ever before. Powered by the OREGON® PowerNow™ Lithium Ion Battery Pack, featuring premium cell technology for long run time and powerful, fast cutting. The ergonomic design and a mid-mount motor head allows for a reduced elevated weight for comfortable operation.

✓ **36V Lithium Ion Performance**
 High power for fast cutting with a high-speed chain • Long run time • Constant, no-fade power • Premium cell technology • Holds charge in storage for months

✓ **Ergonomic Design**
 • Mid-mount motor for better balance & reduced elevated weight • Low vibration • Compact cutting end designed to increase agility in making cuts

✓ **Tool-Free Extendable Shaft**
 Extends from 2.2m to 3.1m without tools • Provides approximately 4m to 4.5m of reach*

✓ **Instant start**
 No pull cords • No warm up • No gas-oil mixing • No emissions

✓ **Low noise**
 Four times quieter than a gas saw in use • Silent between cuts
